Education Committee Minutes of Conference Call Meeting March 31, 2009

A meeting of the California Citrus Nursery Board's Education Committee was called to order by Committee Chairman Gary Moles at 2:00 p.m. on Tuesday, March 31, 2009. Roll was taken showing a quorum was present with the following in attendance:

Committee Members

Kim Alvitre
Aaron Dillon
Gary Moles

Staff

Jim Melban, Manager

Minutes of Previous Meeting

After making one minor correction, the minutes of the meeting of December 10, 2008 were unanimously approved as mailed on a motion from Alvitre, with a second from Dillon.

May Workshop

Moles explained the main reason for the meeting was to consider providing some Board funds to a May Workshop that was being organized by Georgios Vidalakis. Everyone had been given a written review of the plan and on a motion by Dillon and a second by Alvitre, the Committee unanimously recommended that the Citrus Nursery Board provide up to \$10,000 for the Industry May Workshop and that Vidalakis be asked to provide a CD of the May Workshop presentations for distribution to the industry and to be put on the Board's website.

Moles then talked about the need for a newsletter in the near future but realizing that everyone was very busy, wanted the members to be thinking about it.

There being no further business, the meeting was adjourned at 2:15 p.m.

I, Jim Melban, Manager of the California Citrus Nursery Board, do hereby certify, that to the best of my knowledge, the foregoing is a true and correct copy of the minutes of a meeting of the Citrus Nursery Education Committee held on March 31, 2009.
